THE BEE HIVE

Every woman loves to think of the time when a soft little body, all her own, will nestle in her bosom, fully satisfying the yearning which lies in the heart of every good woman. But yet there is a black cloud hovering about the pretty picture in her mind which fills her with terror. The dread of childbirth takes away much of the joy of motherhood. And yet it need not be so. For sometime there has been upon the market, well-known and recommended by physicians, a liniment called

Mother's Friend

which makes childbirth as simple and easy as nature intended it. It is a strengthening, penetrating liniment, which the skin readily absorbs. It gives the muscles elasticity and vigor, prevents sore breasts, morning sickness and the loss of the girlish figure.

An intelligent mother in Butler, Pa., said: "I used Mother's Friend in every stage of my pregnancy. I would obtain a bottle if I had to pay \$2 per bottle for it."

Get Mother's Friend at the drug store. \$1 per bottle.

Dear Sirs:—I had no faith in testimonials or advertised medicines until I took Dr. Caldwell's Syrup Pepsin, my attention being called to it by a letter from some one who had been cured of what he called chronic constipation, and I began taking it for my case. If any one who reads this has constipation or stomach trouble, I earnestly recommend Dr. Caldwell's Syrup Pepsin. My own experience and complete cure prompt me to promise that you will find it will do all that is claimed for it.

Respectfully,

Brain-Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. G. Green's reliable remedies at McCook & Berry's.

Saved His Life.

"I wish to say that I feel I owe my life to Kodol Dyspepsia Cure," writes H. C. Chrestenson of Hayfield, Minnesota. "For three years I was troubled with dyspepsia so that I could hold nothing on my stomach. Many times I would be unable to retain a morsel of food. Finally I was confined to my bed. Doctors said I could not live. I read one of your advertisements on Kodol Dyspepsia Cure and thought it fit my case and commenced its use. I began to improve from the first bottle. Now I am cured and recommend it to all." Digestors who feed. Cures all stomach troubles. McCook & Berry.
